**Stars of the Industry Awards Honors
Two ARAMARK Harrison Lodging Alaska Team Members**

DENALI NATIONAL PARK, ALASKA – (March 27, 2008) – The ARAMARK Harrison Lodging (AHL) Alaska team is pleased to celebrate the recognition of two team members by the Alaska Hotel and Lodging Association's Stars of the Industry Awards: Nick Pankow, Front Office Manager of the Year and Nita Jeffries, Administrative Associate of the Year.

Pankow's passion, professionalism and enthusiasm shine through his efforts to add value to each of his customer's experience in Alaska. As the Front Office Manager at Denali Park Resorts, Pankow has assisted with the integration of a new property management system, writing a full comprehensive front line user manual and developing the training plan for all four hotel properties for the 2008 season. From a management perspective, Pankow has earned the respect and following of his staff, boasting impressive return ratios from previous seasons. In addition to working full time, Pankow is currently enrolled in classes to receive a degree in Hotel and Restaurant Management.

An employee at AHL for eight years, Jeffries has quickly advanced in her career, starting out as a front desk agent, moving on to off-season maintenance work as a room blocker and finally working her way to risk management administrative assistant. In this role, Jeffries works closely with all managers, employees and guests in a fast-paced environment. This past year Jeffries impressed the team by overseeing the Risk Management department when her boss left unexpectedly for a family emergency. In addition to her usual duties, Jeffries now manages the nurses and security staff, making sure everything runs smoothly. Her positive outlook and organization skills have allowed her to embrace her many responsibilities without complaints or difficulties.

"The AHL Alaska family is extremely proud of these two professionals," said Bob Concienne, vice president of Alaska Operations for ARAMARK Harrison Lodging. "They have proved their dedication and enthusiasm in serving their respective sectors of the hospitality industry and are well-deserved of this recognition."

Each year, the Alaska Hotel and Lodging Association's Stars of the Industry Awards program recognizes exceptional service and achievements in the hospitality industry. The awards honor star performers who have demonstrated outstanding accomplishments and celebrate employees and hotel properties that best symbolize the highest quality of service to the industry.

The winners were announced at the annual Stars of the Industry Awards banquet on Saturday, Feb. 9, 2008 at the Sheraton Anchorage Hotel. Winners in each category will

go on to compete in the American Hotel and Lodging Association's annual Stars of the Industry Awards program.
